CASE NO. 3:10-CV-0686-LRH (VPC)

ORDER SCHEDULING  
SETTLEMENT CONFERENCE

A settlement conference is scheduled to commence on **Tuesday, October 16, 2012 at 9:00 a.m.** in courtroom of the undersigned United States Magistrate Judge, Federal Courthouse, Fourth Floor, Reno, Nevada.

All counsel of record who will be participating in the trial of this case, all parties appearing *pro se*, if any, and all individual parties must be present.

**In the case of non-individual parties, counsel shall arrange for a representative with binding authority to settle this matter up to the full amount of the claim and to be present in court for the duration of the settlement conference. All parties and counsel should make arrangements to be present at the settlement conference for the entire day. Every effort should be made to avoid scheduling airline flights or other obligations that will interfere with or shorten the full day of settlement negotiations.**

If any party is subject to coverage by an insurance carrier, then a representative of the insurance carrier, with authority to settle this matter up to the full amount of the claim, must also be present in court for the duration of the settlement conference.

1                                    PREPARATION FOR SETTLEMENT CONFERENCE

2            I.        ATTENDANCE OF COUNSEL AND CLIENT OR CLIENT REPRESENTATIVE

3            Unless excused by order of the Court, clients or client representatives with complete authority  
4 to negotiate and consummate a settlement shall be in attendance at the settlement conference. This  
5 requires the presence of the client or if a corporate, governmental, or other organizational entity, an  
6 authorized representative of the client. For a defendant, such representative must have final settlement  
7 authority to commit the organization to pay, in the representative's own discretion, a settlement amount  
8 up to the plaintiff's prayer, or up to the plaintiff's last demand, whichever is lower. For a plaintiff, such  
9 representative must have final authority, in the representative's own discretion, to authorize dismissal  
10 of the case with prejudice, or to accept a settlement amount down to the defendant's last offer.

11            If board approval is required to authorize settlement, the attendance of at least one sitting  
12 member of the board (preferably the chairperson) is absolutely required. Any insurance company that  
13 is a party or is contractually required to defend or to pay damages, if any, assessed within its policy limits  
14 in this case must have a fully authorized settlement representative present. Such representative must  
15 have final settlement authority to commit the company to pay, in the representative's own discretion,  
16 an amount within the policy limits, or up to the plaintiff's last demand, whichever is lower.

17            The purpose of these requirements is to have in attendance a representative who has both the  
18 authority to exercise his or her own discretion, and the realistic freedom to exercise such discretion  
19 without negative consequences, in order to settle the case during the settlement conference without  
20 consulting someone else who is not present. In the event counsel for any party is aware of any  
21 circumstance which might cast doubt on a client's compliance with these provisions, s/he shall  
22 immediately discuss the circumstance with opposing counsel to resolve it well before the settlement  
23 conference, and, if such discussion does not resolve it, request a telephone conference with the court and  
24 counsel.

25            Counsel appearing for the settlement conference without their client representatives or insurance  
26 company representatives, authorized as described above, will cause the settlement conference to be  
27 canceled or rescheduled. The non-complying party, attorney or both may be assessed the costs and  
28

1 expenses incurred by other parties and the court as a result of such cancellation, as well as any additional  
2 sanctions deemed appropriate by the court. Counsel are responsible for timely advising any involved  
3 non-party insurance company of the requirements of this order.

4 II. PURPOSE OF THE SETTLEMENT CONFERENCE

5 The purpose of the settlement conference is to facilitate settlement of this case. It will be  
6 conducted in such a manner as not to prejudice any party in the event settlement is not reached. To that  
7 end, all matters communicated to the undersigned in confidence will be kept confidential, and will not  
8 be disclosed to any other party, or to the trial judge. The undersigned, of course, will not serve as the  
9 trial judge in this case.

10 At the settlement conference the parties, by counsel, shall be prepared to outline the factual and  
11 legal highlights of their case. Then separate, confidential caucuses will be held with each party and the  
12 party's representative(s). Attached is an outline for counsel to review with the parties prior to the  
13 settlement conference to make the best use of the limited time allotted.

14 **The requirement for parties' personal appearance is intended to increase the efficiency and**  
15 **effectiveness of the settlement conference**, by reducing the time for communication of offers and  
16 expanding the ability to explore options for settlement.

17 III. PRE-CONFERENCE NEGOTIATIONS

18 Settlement conferences are often unproductive unless the parties have exchanged demands and  
19 offers before the conference and made a serious effort to settle the case on their own. **Before arriving**  
20 **at the settlement conference the parties are to negotiate and make a good faith effort to settle the**  
21 **case without the involvement of the Court. Specific proposals and counter proposals shall be**  
22 **made.** Plaintiff(s) shall make an offer to defendant(s) ten (10) days prior to the settlement conference.  
23 Defendant(s) shall make a counteroffer to plaintiff(s) five (5) days prior to the settlement conference.  
24 The parties shall provide copies of the offer and counteroffer to the court via facsimile to (775)686-5864.  
25 If the parties do not wish to follow this procedure, they must obtain leave of court prior to the  
26 compliance deadline. **If the parties fail to present specific proposals and counter proposals prior**  
27 **to the settlement conference, sanctions may be imposed by the court if appropriate.**

1 If settlement is not achieved before the settlement conference, the parties shall be prepared to engage  
2 in further negotiation at the conference.

3 IV. THE SETTLEMENT CONFERENCE STATEMENT

4 In preparation for the settlement conference, the attorneys for each party shall submit a  
5 confidential settlement conference statement for the Court's in camera review. The settlement  
6 conference statement shall be limited to seven (7) pages and contain the following:

- 7 1. A brief statement of the nature of the action;
- 8 2. A brief analysis of the key issues involved in the litigation;
- 9 3. A discussion of the strongest points in your case, both legal and factual, and a  
10 frank discussion of the weakest points as well;
- 11 4. A further discussion of the strongest and weakest points in your opponent's case,  
12 but only to the extent that they are more than simply the converse of the weakest  
13 and strongest points in your case;
- 14 5. A history of settlement discussions held to date, including the current status of  
15 settlement discussions between the parties, and the last settlement proposal made  
16 by you and to you;
- 17 6. The settlement proposal that you believe would be fair;
- 18 7. The settlement proposal that you would honestly be willing to make in order to  
19 conclude this matter and stop the expense of litigation;
- 20 8. You are required to attach proof of the specific proposals and counter proposals  
21 made prior to the settlement conference pursuant to Section III of this order;
- 22 9. You may attach to your statement those document or exhibits which are  
23 especially relevant to key factual or legal issues, including selected pages from  
24 deposition transcripts or responses to other discovery requests.

1 The settlement conference statements shall be received in my chambers, 400 S. Virginia Street,  
2 Suite 404, no later than **Tuesday, October 9, 2012 by 4:00 p.m.** DO NOT DELIVER OR MAIL  
3 THEM TO THE CLERK'S OFFICE; **DO NOT SERVE A COPY ON OPPOSING COUNSEL.** The  
4 settlement conference brief should be in an envelope clearly marked "Confidential, Contains Settlement  
5 Brief."

6 The purpose of the settlement conference statement is to assist the Court in preparing for and  
7 conducting the settlement conference. In order to facilitate a meaningful conference, your utmost candor  
8 in responding to the above-listed questions is required. The confidentiality of each statement will be  
9 strictly maintained in my chambers. Following the conference, the settlement conference statements will  
10 be destroyed.

## SETTLEMENT CONFERENCE PREPARATION

Experience shows that in negotiations the party who is best prepared usually obtains the best result. Settlement conferences are more efficient if all parties and counsel are prepared. Consider the following topics to aid in the effectiveness of your settlement conference.

### A. FORMAT

1. Parties with ultimate settlement authority **must** be personally present.
2. The court will use a mediation format, and private caucusing with each side; the judge may address your client directly. The judge will not meet with parties separate from counsel.
3. Have you discussed private mediation with your client?

### B. ISSUES

1. What issues (in and outside of this lawsuit) need to be resolved? What are the strengths and weaknesses of each issue. What is your most persuasive argument?
2. What remedies are available resulting from this litigation? From a settlement?
3. Is there any ancillary litigation pending or planned which affects case value? What about liens?
4. Do you have enough information to value the case? If not, how are you going to get more information before the conference?
5. Do attorney's fees or other expenses affect settlement? Have you communicated this to the other side?
6. Is defendant and/or its carrier solvent?

### C. AUTHORITY

1. Are there outstanding liens? Have you verified amounts and whether they are negotiable? Do we need to include a representative of the lien holder? If so, contact a representative of the lien holder and request the representative(s) presence at the conference.
2. Is there valid insurance coverage? In what amount? If coverage is at issue, or the amount/type affects settlement value, have you notified the other side? If any party is subject to coverage by an insurance carrier, then a representative of the insurance carrier, with authority to settle this matter up to the full amount of the claim, must also be present in court for the duration of the settlement conference.

D. NEGOTIATIONS

1. Where did your last discussions end? Are you sure?
2. Schedule with opposing party: discussions before the settlement conference to make it proceed more efficiently? At least one offer and response is required.
3. What value do you want to start with? Why? Have you discussed this with your client?
4. What value do you want to end with? Why? Have you discussed this with your client? Is it significantly different from values you have placed on this case at other times? Does your client understand why?
5. Is there confidential information which affects case value? Why can't/won't/shouldn't it be disclosed? How can the other side be persuaded to change value if it doesn't have this information?
6. What happens if you don't settle the case at the conference? What is your best alternative to a negotiated settlement? Why? What might change the outcome of the settlement conference? Pending motions, discovery, expert's report, etc.

E. CLOSING

1. If settlement is reached, it will be on the record.
2. Have you discussed settlement formats with your client? Does the client understand structured settlements, annuities, Rule 68 offers to compromise?
3. How soon could checks/closing documents be received?
4. If settlement is not reached, and further discovery is needed, what is your plan for continuing settlement discussions? Do you want court involvement in these talks?
5. If settlement is not reached, be prepared to discuss it again at the Pretrial Conference.
